Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Arnoldo Mondadori Editore S.p.A. (the Company), which comprise the balance sheet as at December 31, 2022, the income statement, the comprehensive income statement, the statement of changes in equity and the statement of cash flows for the year then ended, the explanatory notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements give a true and fair view of the financial position of the Company as at December 31, 2022, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards as adopted by the European Union and with the regulations issued for implementing article 9 of Legislative Decree n. 38/2005.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISA Italia). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the regulations and standards on ethics and independence applicable to audits of financial statements under Italian Laws. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We identified the following key audit matter:

Key Audit Matter	Audit Response
<p data-bbox="207 358 478 392">Investments valuation</p> <p data-bbox="191 448 766 772">The financial statements include investments in subsidiaries, jointly controlled entities and associates accounted for under the equity method, which amount to Euro 669 million, inclusive of goodwill and other intangible assets identified at the acquisition date, among others the value of goodwill and other intangible assets arising from the acquisitions of Edizioni Star Comics S.r.l. carried out during fiscal year 2022.</p> <p data-bbox="191 795 766 1052">The Company performed an impairment test for all Cash Generating Units (CGUs) related to the various investees to which the above-mentioned intangible assets are referred to, by comparing the carrying amounts with the related recoverable amounts, determined as the higher between fair value less costs of disposal and value in use.</p> <p data-bbox="191 1075 766 1332">The impairment test process conducted by the Management is complex and is based on assumptions that include, among others: (i) the forecast of revenues and cash flows included in 2023-2025 plan (Plan) approved by the Board of Directors, and (ii) the determination of appropriate discount rate (WACC) and long-term growth rate (g rate).</p> <p data-bbox="191 1355 766 1780">For such purposes, the evaluation of uncertainties, specific to the industry in which the Company operates and typical of any forecasting activity related to the estimate of revenues and cash flows expected over the period of the Plan, are particularly important in the current market context. Considering the magnitude of the amounts subject to impairment, the judgment required by Management and the complexity of the assumptions used in the estimate of the recoverable amount, we determined that this matter represents a key audit matter.</p> <p data-bbox="191 1803 766 2029">Explanatory notes 3 and 4 include the applicable accounting standards, the valuation criteria and the estimates adopted in connection with such assets. The explanatory note 4 to the balance sheet includes disclosures on investments, including the impairment test process.</p>	<p data-bbox="813 448 1372 504">Our audit procedures in response to this key audit matter have included, among others:</p> <ul data-bbox="813 537 1388 1052" style="list-style-type: none"> • understanding of the impairment test process and methodology approved by the Board of Directors; • assessment of the compliance with applicable accounting standards for the methodology adopted in the impairment test process; • assessment of the adequacy of CGUs perimeter and allocation of carrying value to each CGU; • analysis of the key assumptions and the methodology used for the impairment test process, including: (i) forecasted future revenues and cash flows as included in the Plan, and (ii) the determination of an appropriate WACC and g-rate. <p data-bbox="813 1086 1372 1377">With reference to the current year business combinations, we analyzed the accounting approach adopted by the Company, the contractual agreements as well as the documentation prepared by the experts who assisted the Company in the process of determining the fair value of the assets and liabilities acquired for the allocation of the price paid.</p> <p data-bbox="813 1411 1372 1500">During the course of our procedures, we were also supported by our experts in valuation techniques.</p> <p data-bbox="813 1534 1372 1624">Lastly, we assessed the adequacy of the disclosures provided in the explanatory notes to the financial statements.</p>

Responsibilities of Directors and Those Charged with Governance for the Financial Statements

The Directors are responsible for the preparation of the financial statements that give a true and fair view in accordance with International Financial Reporting Standards as adopted by the European Union and with the regulations issued for implementing article 9 of Legislative Decree n. 38/2005, and, within the terms provided by the law, for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The Directors are responsible for assessing the Company's ability to continue as a going concern and, when preparing the financial statements, for the appropriateness of the going concern assumption, and for appropriate disclosure thereof. The Directors prepare the financial statements on a going concern basis unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The statutory audit committee ("Collegio Sindacale") is responsible, within the terms provided by the law, for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing (ISA Italia) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing (ISA Italia), we have exercised professional judgment and maintained professional skepticism throughout the audit. In addition:

- we have identified and assessed the risks of material misstatement of the financial statements, whether due to fraud or error, designed and performed audit procedures responsive to those risks, and obtained audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- we have obtained an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control;
- we have evaluated the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors;
- we have concluded on the appropriateness of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to consider this matter in forming our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;

- we have evaluated the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We have communicated with those charged with governance, identified at an appropriate level as required by international standards on auditing (ISA Italia), regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We have provided those charged with governance with a statement that we have complied with the ethical and independence requirements applicable in Italy, and we have communicated them all matters that may reasonably be thought to bear on our independence, and where applicable, the actions taken to eliminate the relevant risks or the safeguard measures applied.

From the matters communicated with those charged with governance, we have determined those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We have described these matters in our auditor's report.

Additional information pursuant to article 10 of EU Regulation n. 537/14

The shareholders of Arnoldo Mondadori Editore S.p.A., in the general meeting held on April 17, 2019, appointed us to perform the audits of the separate and consolidated financial statements of the Company for each of the years ending December 31, 2019 to December 31, 2027.

We declare that we have not provided prohibited non-audit services, referred to article 5, paragraph 1, of EU Regulation n. 537/2014, and that we have remained independent of the Company in conducting the audit.

We confirm that the opinion on the financial statements included in this report is consistent with the content of the additional report to the audit committee (Collegio Sindacale) in their capacity as audit committee, prepared pursuant to article 11 of the EU Regulation n. 537/2014.
